

Privacy statement Wageningen Ballroom Dance Association

Privacy

WuBDA appreciates the privacy of her members and will therefore inform you about her activities and protection concerning your provided data. It involves personal data of current members, old members and visitors of our website, www.wubda.nl. We will do whatever we can to ensure protection of your data and we will handle them with care. Also we will limit data usage to the means and functioning of our association.

Which data will be used

Current members:

- First name and surname
- Email address
- Cellphone number
- Registration number at WUR
- Barcode of your WUR-card
- Your subscription, level and class-attendance
- Photos and videos (if no objection is made by member)

Old members:

- First- and surname
- Emailaddress
- Cellphone number

Visitors of our website: no data will be stored when you visit our website

What will the data be used for

Current members:

- Your name will be used to regulate your subscription. WuBDA also wants to be able to approach and inform you personally about activities and dance courses within the association. Together with your name and subscription we are able to give you access to our lessons and activities.
- Email addresses will be used to inform our members about future changes and activities within our association. This will include announcements of general members meetings (GGMs), dinners and movie-nights.
- Cellphone number will be used as an addition for contact between the board and member of interest if necessary. Also we enable members to contact each other via social media like Whatsapp in an Whatsapp group. This is only possible when the member of interest gives permission to be added to this group.
- Registration number and barcode number of the WUR-card will be used to check if members possess sportrights at sport centre 'De Bongerd'. As an official student sport association at SWU Thymos we are obliged to possess these sportrights in order to make use of the facilities at 'De Bongerd'. Your name and subscription at WuBDA will therefore also be shared with SWU Thymos.
- Your subscription will determine if you are allowed to participate in activities and/or in classes within the association.
- Your level/course will determine which classes you are allowed to partake in.
- Your attendance will be used to measure popularity of courses and activities.

- The data of subscription, course and attendance all together allow us to analyse WuBDA's members count. This gives proper insight in WuBDA's expansion and cash flow.
- Photos and videos may be taken during activities and classes. These photos and videos may be spread to promote our association via the website www.wubda.nl, posters or Facebook and Instagram. These may also be used as personal teaching materials to improve the member's own dancing. WuBDA assumes that pictures can be used freely unless the member in question notifies otherwise.

Old members:

- Data (name, email and cellphone number) will only be used to inform you about the association. This will be ended on request.

Visitors of the website:

- Functional cookies are applied, e.g. when posting a reaction or when logging in on a secured page.

Social media & website

WuBDA uses her website, Instagram and Facebook as means to spread information about the association and activities to her members and others of interest. The website and facebook will also be used for promoting the association. This may be done via text, photos and videos. The board will carefully select these photos, videos and texts. May it occur that despite our efforts an unwanted image of you is used, then you can object towards the board. This can be done by mailing the board, board@wubda.nl, or by personally approaching one of the board members. The unwanted image(s) will be removed or edited as soon as possible thereafter.

Security

The current board is responsible for saving and protecting your data. All data will be stored and saved on the association's Google Drive account. The data will only be accessible to the current board with exception of the email addresses. The board will inform you and ask permission, when future or temporary exceptions on these rules occur.

Use of personal data by third parties

The registration and barcode number WUR will be provided to SWU Thymos. In case you gave permission to posting Photos, photos can be posted on the website, Instagram or Facebook.

Usage of cookies

The website uses functional cookies, e.g. when posting a reaction or when logging in on a secured page.

Your rights concerning your data

You remain the right to see, change or remove the data we received from you. This can be done by sending us an email, board@wubda.nl.

Amendments

WuBDA retains the rights to make amendments/changes within the privacy policy. Every member will be informed through email when such an amendment/change occurs. Members retain the right to object to these amendments/changes.

Questions

Do you still have questions or comments after reading this document? Or do you see any possible flaws? Then contact WuBDA, Bornsesteeg 2, 6708 PE at Wageningen or send an email: board@wubda.nl.
